

It is with great pleasure that we here at
NATIONAL NOVEL WRITING MONTH

convey the title of

Winner

upon the venerable novelist

NANOWRIMO

2003

In joining the hallowed list of
NaNoWriMo winners,
you have *triumphed*
over the mighty foes of
procrastination, self-doubt
and particularly enticing
TV programming.

*You have done something wonderful this month, novelist.
And we're proud of you.*

(winner name)

Your literary fortitude
is astounding, and
we salute the *impressive*
contributions you have made
to the field of
frantic novel writing.
